Ref.....

Dated.....

Dear Sujanian Family,

We hope that you all are safe and sound.

In line with our commitment, we are documenting OBA's growth story for the month of April, 2020.

- In wake of the current situation we got a call from a handful of Batch Representatives, who wanted to Donate for CM relief fund and requested OBA to facilitate the same. The Executive team put this idea up for discussion and got a great voluntary support from all the batch representatives, due to which the association was able to collect a sum of INR 3,33,400/- towards HP Covid-19 Solidarity Response Fund. We would take this opportunity to congratulate and thank members for their contribution towards the welfare of the State and society.
- We have collected Annual subscription fee from 13 Batches till date (which is more 50% of the batches that fall under subscription criterion) and OBA is optimistic, rest of the batches will align with the cause. Till date we have received a total amount of INR 6,33,621/-.
- Working in the direction of formulating and setting up stern SOPs for the association, the Executive body has set up functional wings for and from the association. This group proudly boast of members from different fields and that speaks about our self sustainability. The following wings have been created:
 - (1) Careers Wing
 - (2) Technical Wing
 - (3) Finance Wing
 - (4) Liaison Wing
 - (5) Audit Wing
- Working towards association's primary objective, welfare of the younger Sujanians. The Career Wing has created whatsapp groups for effective and immediate communication. Each group represents a career field where in the young lads are mentored by fellow Sujanian Industry experts. Following groups have been created: (The mechanism has been rightly depicted in YouTube video: <https://youtu.be/14JZpIGh14s>)
 - (1) Doctor
 - (2) Merchant Navy
 - (3) Lawyer
 - (4) Entrepreneur
 - (5) Banker
- Sanjeev Bhaiya, A Software Professional, 8th Batch, proposed to host informative webinars for Sujanianans. He is working on the curriculum and we soon we shall be sending the invites.
- We have documented and prepared a list of skillset of IT Professionals of Sujanian Fraternity and working on ways to refer the same for welfare of association as and when required.
- The Executive Committee has prepared the data of all Sujanian Frontline COVID Warriors. The All India Sainik School Association shall be felicitating the warriors. We once again take this opportunity to mention that we are proud of all the Sujanians who have been the shield of Humanity.

- The OBA YouTube channel has been created and a lot of fresh and relevant content has been put up in the channel. We are willing to use this channel as the supplementary source of information, announcements and garnering nostalgic moments of batches. Within a week's time we have had the subscription touching 270 and are working towards strengthening the flow of information and credibility of Association. We would be glad to crowd source content from members of the association. We would request all Batch Reps to promote this amongst your batch mates and get most of them to subscribe to the channel: OBA Sainik School Sujanpur Tira
https://www.youtube.com/channel/UCoPg_CaDBkOUOYP8Y9zxiJA
- We have also had a great response on the data collection drive for the same to be uploaded on OBA website. We have also collected photographs relating OBA and welcome more submissions from the members. The work on development of OBA website is in full swing and shall see the light of the day very soon.
- We would also like to use this platform to call upon fellow Sujanians who wish to volunteer for any of the existing functionalities and also those who want to propose new programmes or ideas in line with OBA's interests and ideals.

Thank you Sujanian Family for all the support, we all wish the best for this association. I hope we are on the right path and my brethren shall correct me if I falter.....

Regards

Sunil Rana
President OBA
